CCCDC NEWSLETTER | AUG 2021

-BUZZWORTHY-

This month's theme is 'Back to School' for the school age room. The students had a blast in Summer Camp! We will have a back to school celebration with a barbecue and lots of fun carnival games on August 20th!

Our infant's theme is creep, crawl and climb. Our busy infants will continue to work on improving gross motor skills. Our teachers will encourage our infants to walk on 2 and to crawl on 4. We look forward to our infants showing preference by moving towards an object. Teachers will also place objects above our infants to encourage stretching and reaching.

The three year old room will continue to work very closely with butterflies to ensure a smooth transition for our caterpillars in the two year old room when the time is right for them to transition.

The three year old students will use their creativity to stamp caterpillars, to bead butterflies, and to feed the hungry caterpillar!

The four year old students will be introduced to The Very Hungry Caterpillar Sequencing activity. The students will also make a caterpillar necklace. This will support fine motor skills. They will also chomp and munch through the fruit shapes using a caterpillar hole puncher. After reading The Very Hungry Caterpillar, the students will make fun caterpillar headbands and have a fun parade around the classroom!

-REMINDERS-

- Summer Camp ends on Friday, August 20th. Please visit us on Facebook at CCCDC-Cornerstone Christian Child Development Center to view our summer field trips and experiences.
- We will be closed on September 6th in observance of Labor Day.
- It's time to update important records. Please provide the most recent copies of your Immunization Forms.
- Please make office staff aware of your child's/children after school transportation needs.
