CCDC NEWSLETTER | JULY 2021

### -BUZZWORTHY-

Our Summer Camp students have been busy exploring things that grow! Our students look forward to learning about the weather, space, community helpers and art appreciation for the month of July. In the three year old classroom, Amazing Animals is July's theme.

Our Pre-K and school aged students will continue our summer program by celebrating Independence Day with the weekly theme "Patriot Week." The children will be making flag crafts, completing word searches and will experiment with baking soda.

Patriotism is the first weeks theme. The students will be busy making decorations to celebrate the 4th of July. We will be creating fireworks art, making our very own Statue of Liberty, patriotic tambourines and having an edible sparkler snack.

A great craft and fun home discussion can center around the meaning of the stars and stripes on our flag. The stripes represent the original 13 Colonies and the stars represent the 50 states of the Union. The colors of the flag are symbolic as well; red symbolizes hardiness & valor, white symbolizes purity & innocence, and blue represents vigilance, perseverance & justice. We have a great coloring book of Patriotic American Symbols such as the Statue of Liberty and a bald eagle to download on our website. Scan the QR code below.

Our Summer Camp is looking forward to a visit from our local Community Helpers. We will have a visit from our local Police Department, the Fire Department and the Sheriff Department on July 19th.
