CCDC NEWSLETTER | MAY 2021

-BUZZWORTHY-

SPRING IS HERE

May is packed full of spring activities for the toddlers. The toddlers will learn about butterflies, and to round out our month, we will be learning about Healthy Foods! They will also have a pizza craft day that incorporates healthy toppings. Also they will be creating strawberry hand-print and a 'splat' butterfly. May is packed with lots of fun, and we can't wait to jump right in! This month is all about health and nutrition for the little ones. The Pre-K will kick off May with "Showers for Flowers" and they will learn about each season! They will be making tissue paper flowers and filling May with learning and fun!

Two, four, six, eight --who do we appreciate? OUR TEACHERS!

Every day teachers inspire our students shaping their young minds and hearts. Some of our teachers were just born to teach and others were called through life experience, but all of our teachers make our world a better place. Being a teacher is about loving and connecting with our young children. And, we are so grateful to have the most amazing, hard working teachers at Cornerstone Christian Child Development Center. Even though expressing our appreciation is welcomed at any time of the year, we want to say thank you especially this week to all of our teachers for the invaluable work that they do and for their dedication to our kids. We love our teachers!
